## COMMUNITY PUBLIC SAFETY MEMORIAL SERVICE

The City of Sachse and The Sachse News are co-sponsoring the Sachse Community Public Safety Memorial on June 5th beginning at 7:00 pm. The event will be held north and east of the ballfield located behind the Library just off of Bryan Street, the site of the future Public Safety Building. Bring your lawn chairs and join us for the ceremony honoring those police officers, firefighters and EMS personnel who lost their lives in the line of duty during 2007. Mayor Felix will present a Proclamation and each individual will be recognized. Presentations by Police Chief Dennis Veach and Fire Chief Doug Kendrick will be followed by the playing of Amazing Grace on the bagpipes. This will be a very moving tribute to these individuals.

## FIREWORKS SPECTACULAR JULY 3rd

Good news for those who love to watch fireworks. The City will host a fireworks show on Thursday, July 3rd beginning at 9:30 pm. The launch area will be at Heritage Park but spectators will not be allowed too close to the firing location. Parking will be available in the Hudson Middle School and Sewell Elementary School parking lots, as well as in the Sachse High School parking lot. Sachse police and fire departments will be on hand to assist with the event. Co-sponsored by the City of Sachse and the Sachse Economic Development Corporation, the show will be designed and "fired" by Zambelli Fireworks Internationale, professionals in the art and safety of pyrotechnics.

Fire Chief Doug Kendrick reminds us that it is against City ordinance for citizens to discharge or possess fireworks within the city limits of Sachse. He encourages everyone to celebrate the holiday but please do so within the safety of the professional events in our area.

## HOLIDAY CLOSURES; TRASH SERVICE DELAYS

City offices will close Friday, July 4th and Monday, September 1st. Also, the trash pick up schedule will change as follows: Friday, July 4th there will be NO trash service. Friday's route will be picked up on Saturday. Monday, September 1st there will be NO trash or recycle service. Trash and recycle routes will be delayed one day all week. If you have a water or sewer emergency during the holidays, please call 972.495.2271 to report the problem. A maintenance tech will be dispatched to your residence.

## JOIN US FOR THE ANNUAL JULY 4th PARADE

It's time to decorate your float, bike, motorcycle, scooter, roller blades, stroller or your walking shoes and join us for the annual July 4th parade. This year's parade theme is "Reach for the Stars". Interpretation of the theme is entirely up to you. It could be movie stars and Hollywood or celestial stars and space. Entries of all sizes are welcome and will be judged based on the best, most creative display of the theme.

We begin lining up in the Library parking lot, 3815 Sachse Road, at 9:30 am. Beginning at 10:00 am, the parade will proceed up Miles Road and end at Heritage Park, where awards will be announced. There will be games for the entire family, and hang around after the parade and games for the Sachse Fire Department's "splash down". We can't tell you what the "splash down" is, but let's hope for a warm, sunny day. If you have any questions please contact the Parks and Recreation Department at 469.429.0275.

## WARMER MONTHS PRESENT OPPORTUNITIES FOR CRIME -- DON'T BE A VICTIM

Not only does your home represent your biggest investment, it also is the place that keeps your family together. It just makes sense to take extra steps to protect it. July and August traditionally produce more crime than any other months, according to law enforcement authorities. But as a homeowner you can discourage burglars from targeting your home with these simple precautions. Ensure that all doors and windows are locked and that the garage door is closed, even when leaving for short periods. The typical burglary takes less than ten minutes, and unlocked doors and open garages combined with an empty home put out the welcome mat for crime. Do not offer areas for burglars to hide. Keep shrubbery and plants close to your doors and windows trimmed to allow your neighbors to keep an eye on your home. Also, an unkept yard could be viewed as a sign of an empty home. When leaving for an extended stay, take your house keys along or leave a spare set with a trusted neighbor. Never leave a key under a mat, in a mailbox or other hiding spots. Most burglars know where to look. If you will be away for more than a day or two, ask a neighbor to park a car in your driveway and pick up your mail and newspapers or cancel them while you are gone. Disable your garage opener and manually lock it from the inside, remembering to lock the door leading from the garage to your home.

The Sachse Police Department takes great pride in our low crime rate but warns residents that we are not exempt from crime. Police Chief Dennis Veach reinforces these safety tips and also reminds residents not to leave any valuables in their cars at night, such as cell phones, GPS devices and laptops. Detective Dan Lewis suggests recording serial numbers and taking photographs of valuable items in your home. Having serial numbers or photographic evidence of stolen items is extremely helpful in solving burglaries.

It only takes a minute to become a victim and months to recover. Taking a few preventive measures could save you countless hours of heartache. If you need assistance or would like to request additional patrol of your home while you are away on vacation, call 972.495.2271

## YOUTH CITIZEN'S POLICE ACADEMY GRADUATES

The first Youth Citizen's Police Academy class graduated on May 15th after completing a ten-week course that included information as well as hands-on exercises in law enforcement history, simulated firearms training, criminal and traffic law, effects of DWI and traffic stops, emergency 9-1-1 dispatching, Internet crimes investigations, crime scene investigations with mock crime scenes, tactical building searches, the use of force and less lethal alternatives and the court system. "The program was designed to give participants a chance to gain insight into solving issues facing teenagers and learn about police operations," said Chief Dennis Veach. The Citizens Police Academy is offered each year with a youth-based class every third year. To be considered for the class, students must meet academic standards of their school, have no criminal convictions and be recommended by the school SRO officer and a school staff member.

## FIRE DEPARTMENT HONORS ACHIEVEMENTS

Sachse Fire Chief Doug Kendrick and his staff recognized several individuals at a recent awards ceremony. Five rookies who recently graduated from the Fire Academy received their firefighter badges: Ryan Cortez, Chris Hall, Chris Millar, Kyle Potraza and Mike Wallace. The department recognized Ryan Stallings and Landon Whatley for completion of the Paramedic class and passing the State of Texas exam. Both firefighters received their Paramedic patch.

EMS Coordinator Lt. Robert Knappage presented 16 individuals with Life Saving Awards for performing "emergency medical service, basic and advanced life support resulting in the saving of life" in three separate incidents. All three calls required CPR and/or advanced treatment to restore the patients' pulse and breathing prior to arrival at the hospital. Two calls were cardiac in nature and one was a drowning. Those receiving Life Saving Awards were: CJ Alexander, Clay Hodges, Brendan Kearney, Doug Kendrick, Robert Knappage, John Morris, Chris Mougia, Edgar Ocampo, Scott Potter, Rob Reed, Rene Salinas, Kevin Slaton, Brandon Slone, Chris Weinzapfel, Landon Whatley and Clint Willoughby.

Chief Kendrick presented Captain Chris Mougia with a plaque honoring his time as both a volunteer and paid firefighter. Captain Mougia is retiring with 14 years of service.

### JUVENILE AND PARK CURFEWS

With longer days, warmer weather, and kids out of school, we realize teenagers will hang out with their friends. Sachse PD wants to remind everyone that Sachse does have a juvenile curfew. According to Section 12-1 of the Sachse Code, anyone under the age of 17 years commits an offense if they are "about or upon any public place or in the premises of any establishment within the city during curfew hours." Curfew hours are 11:00 pm until 6:00 am of the following day on any Sunday, Monday, Tuesday, Wednesday or Thursday and 12:01 am until 6:00 am on any Saturday or Sunday. If you have questions about the juvenile curfew ordinance, please call Sachse PD at 972.495.2271.

The City also enforces a park curfew according to Section 7-2 of the Code. When using the the City's parks, "persons shall not be allowed in, on, about or around a public park and/or facility between curfew of 11:30 pm to 6:00 am on weeknights and 12:00 midnight to 6:00 am on weekends. No exceptions shall be allowed without written permission from the Parks and Recreation Commission."

Pertaining to lights at the ball fields, all lights shall be turned off by 11:00 pm Monday thru Thursday and by 12:00 midnight on Friday and Saturday. Use of the lights is prohibited on Sundays.

For more information on park uses or regulations, please call the Parks Department at 469.429.0275.

### *A MESSAGE FROM MAYOR FELIX*

The summer months are upon us and time for family vacations. With the high price of gas it may be that your vacations are spent closer to home. Whatever your decision, near or far, please be safe in your summertime travels.

I want to take a moment to thank Councilman Jim Burnett, who is stepping down from City Council after serving nine years, or three terms. Councilman Burnett was first elected to Council in May 1999 and has served as Library Board liaison, Comprehensive Plan liaison, on the NCTCOG Regional Transportation Council and NTTA co-liaison. Councilman Burnett served the constituents of Sachse with dignity and class. Council will be honored to recognize him at an upcoming meeting.

City Council and staff will meet in July to discuss the Fiscal Year 08-09 budget. With so much happening in Sachse, this budget year will focus on roadways and facilities. Several vital roads will receive major upgrades in the very near future including 5th Street, Bunker Hill Road and Murphy Road. Council is scheduled to receive early citizen input on the budget at the June 16th meeting. Council will then receive staff's proposed budget of programs and services at the August 11th meeting. This is when the budget is officially open for public inspection. Public hearings for the proposed budget will be conducted at the August 25th and September 2nd meetings. Council will adopt the 08-09 budget and property tax rate at the September 29th meeting. Watch the city's website for other important information concerning the proposed budget and 2008-09 tax rate.

At the May 5th meeting, Council selected Hunt Construction to fill the role of Construction Manager at Risk for the new Municipal Complex including City Hall and Public Safety Building. With floor plans complete and construction scheduled to begin in early fall, the City will host a groundbreaking ceremony in September. City Council and staff would like to invite all citizens to attend. Watch the website and your water bills for more information about the event.

For those who participated in last year's National Night Out celebration, this year's date has been moved to October 7th in Texas only. Usually held the first Tuesday in August, the extreme summer heat in Texas made the event unbearable for outdoor celebrations. Last year events were held in several neighborhoods throughout Sachse including Park Lake Park, Cottonwood Park and Quail Hollow. More information will be in the next issue of this newsletter.
